General Information

This information statement (the “Information Statement”) is being mailed or otherwise furnished by Datavault AI Inc., a Delaware corporation (the “Company”, “we”, “us”, “our”, or “Datavault”) on or about September 9, 2025, to holders of common stock of the Company, \$0.0001 par value per share (the “Common Stock”) pursuant to Rule 14c-2 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Written Consent constitutes the consent of the Majority Stockholders and is sufficient under the General Corporation Law of the State of Delaware (“DGCL”) and our bylaws, as amended (the “Bylaws”) to approve the actions described herein. Accordingly, they are not presently being submitted to our other stockholders for a vote. Pursuant to Rule 14c-2 under the Exchange Act, the actions described herein will not be implemented until a date at least 20 days after the date on which this Information Statement has been first mailed to the stockholders.

Copies of this Information Statement are first being sent on or about September 9, 2025 to holders of Common Stock.

1

Vote Required

To be approved, the above actions must receive the affirmative vote of a majority of the issued and outstanding shares of our capital stock entitled to vote, voting together as a single class, which has already occurred by virtue of the Written Consent signed by the Majority Stockholders. Each stockholder is entitled to one vote for each share of Common Stock held by such stockholder. As of August 4, 2025, the Company had 97,692,374 shares of Common Stock outstanding.

Delivery of Documents to Stockholders Sharing an Address

We will send only one copy of the Information Statement and other corporate mailings to stockholders who share a single address unless we received contrary instructions from any stockholder at that address. This practice, known as “householding,” is designed to reduce our printing and postage costs. However, the Company will deliver promptly upon written or oral request a separate copy of the Information Statement or other corporate materials to a stockholder at a shared address to which a single copy of the Information Statement was delivered. Additionally, if current stockholders with a shared address received multiple copies of the Information Statement or other corporate mailings and would prefer the Company to mail one copy of future mailings to stockholders at the shared address, notification of such request may also be made by mail or by calling the Company’s principal executive offices. You may make such a written or oral request by sending a written notification stating (i) your name, (ii) your shared address and (iii) the address to which the Company should direct the additional copy of the Information Statement to the Company at Corporate Secretary, 15268 NW Greenbrier Pkwy, Beaverton, Oregon 97006, telephone: (408) 627-4716.

2

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of September 9, 2025, information regarding beneficial ownership of our capital stock by:

- each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our Common Stock;
- each of our named executive officers;
- each of our directors; and
- all of our executive officers and directors as a group.

The percentage ownership information shown in the table is based upon 116,701,378 shares of Common Stock outstanding as of September 9, 2025. The percentage ownership information shown in the table excludes (i) 31,232,173 shares of Common Stock issuable upon exercise of outstanding Common Stock purchase warrants (such number of shares of Common Stock includes the Exchange Shares, pursuant to the Exchange Agreements), (ii) 1,100,014 restricted stock units (“RSUs”) that have been issued but have not vested and (iii) 8,438,925 shares of Common Stock underlying restricted stock awards subject to time based vesting granted pursuant to our 2018 Long-term Incentive Plan (the “LTIP”) and 2,315,000 shares of Common Stock underlying restricted stock awards subject to performance conditions granted pursuant to the LTI, (iv) up to an aggregate of 1,750 shares of Common Stock issuable upon conversion of all outstanding shares of Series B Convertible Preferred Stock, par value \$0.0001 per share (“Series B Preferred Stock”) (which shares of Series B Preferred Stock assume the exercise of all 1,750 Series B Preferred Stock purchase warrants), (v) 3,500,000 shares of Common Stock issuable pursuant to the Share Exchange Agreement (the “NYIAK Share Agreement”) between the Company and NYIAX, Inc. (“NYIAX”), (vi) shares of Common Stock issuable under certain senior secured convertible notes issued pursuant to the securities purchase agreement between the Company and the investors signatories to the purchase agreement entered into on March 31, 2025, and (vii) shares of Common Stock issuable under certain senior secured convertible notes issued on August 6, 2025, pursuant to the securities purchase agreement between the Company and the investors signatories to the purchase agreement entered into on August 4, 2025.

Beneficial ownership is determined according to the rules of the U.S. Securities and Exchange Commission (“SEC”) and generally means that a holder has beneficial ownership of a security if such holder possesses sole or shared voting or investment power of that security, including securities that are exercisable for shares of Common Stock within sixty (60) days of September 9, 2025. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the holders named in the table below have sole voting and investment power with respect to all shares of Common Stock shown that they beneficially own, subject to community property laws where applicable.

For purposes of computing the percentage of outstanding shares of our Common Stock held by each holder or group of holders named above, any shares of Common Stock that such holder or holders has the right to acquire within sixty (60) days of September 9, 2025 is deemed to be outstanding, but is not deemed to be outstanding for the purpose of computing the percentage ownership of any other holder. The inclusion herein of any shares of Common Stock listed as beneficially owned does not constitute an admission of beneficial ownership. Unless otherwise identified, the address of each beneficial owner listed in the table is c/o Datavault AI Inc., 15268 NW Greenbrier Pkwy, Beaverton, Oregon 97006.

ACTION ONE

APPROVAL OF THE ISSUANCE OF SHARES OF COMMON STOCK PURSUANT TO THE NOTES IN THE AGGREGATE MAXIMUM AMOUNT OF 130,847,236 SHARES ASSUMING THE FLOOR PRICE

Summary

The Board and Majority Stockholders approved the issuance of shares of Common Stock pursuant to the Notes, to the Purchasers (as defined below) pursuant to the Purchase Agreement (as defined below).

Background

As previously disclosed, on August 4, 2025 the Company entered into a Securities Purchase Agreement (the “Purchase Agreement”) with certain institutional investors (the “Purchasers”), pursuant to which the Purchasers agreed to purchase from the Company in a registered direct offering, the Notes, for an aggregate purchase price of \$12,000,000, upon satisfaction of certain closing conditions applicable to the Initial Notes and Additional Notes, respectively. The closing of Initial Notes (the “Initial Closing”) occurred on August 6, 2025. The closing of the Additional Notes (the “Additional Closing,” and together with the Initial Closing, the “Closings”), subject to the satisfaction of certain additional closing conditions, will take place on or after the date that is 20 calendar days after the mailing by the Company this Information Statement.

The Notes are convertible at any time beginning on the date of Stockholder Approval at the option of the holders thereof, in whole or in part, into such number of shares of Common Stock (the “Conversion Shares”) at an initial conversion price equal to \$1.00 per share (the “Conversion Price”). Alternatively, following the date of the Stockholder Approval, the Notes are convertible at the holder’s election, at a price (the “Alternate Conversion Price”) equal to the greater of (x) the Floor Price (as defined below) and (y)

80% of the lowest volume weighted adjusted price of the shares of Common Stock (the “VWAP”) in the twenty (20) trading days prior to the applicable conversion date (“Alternate Conversions”). The conversion price of the Notes is subject to a floor price of \$0.1019 (the “Floor Price”).

The Notes contain 4.99/9.99% beneficial ownership limitations and customary provisions regarding events of defaults and negative covenants.

The Notes and Conversion Shares (as defined herein) were offered by the Company pursuant to a registration statement on Form S-3 (File No. 333-288538), which was initially filed with the Securities and Exchange Commission on July 7, 2025, and was declared effective by the Commission on July 9, 2025.

Effect of Issuance of Additional Securities

The issuance of the securities described above would result in the issuance of over 20% of the Company’s outstanding shares of Common Stock on a pre-transaction basis. As such, for so long as the Purchasers beneficially own a significant amount of shares of our Common Stock, it could significantly influence future Company decisions. Our stockholders will incur dilution of their percentage ownership to the extent the Conversion Shares are issued pursuant to the Notes.

Nasdaq Marketplace Requirements and the Necessity of Stockholder Approval

The Common Stock is currently listed on the Nasdaq Capital Market and, as such, the Company is subject to the Nasdaq rules. Nasdaq Rule 5635(d) requires the Company to obtain stockholder approval prior to the issuance of shares of Common Stock in connection with certain non-public offerings involving the sale, issuance or potential issuance by the Company of shares of Common Stock (and/or securities convertible into or exercisable for shares of Common Stock) equal to 20% or more of the shares of Common Stock outstanding prior to such issuance where the price of the Common Stock to be issued is below the “Minimum Price.” “Minimum Price” means a price that is the lower of: (i) the Nasdaq Official Closing Price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement; or (ii) the average Nasdaq Official Closing Price of the common stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement. Shares of common stock issuable upon the exercise or conversion of warrants, options, debt instruments, preferred stock or other equity securities issued or granted in such non-public offerings will be considered shares issued in such a transaction in determining whether the 20% limit has been reached, except in certain circumstances such as issuing warrants that are not exercisable for a minimum of six months and have an exercise price that exceeds market value.

6

The issuance of the Conversion Shares was therefore approved by the Board and Majority Stockholders pursuant to Nasdaq Rule 5635(d).

This summary is intended to provide you with basic information concerning the Notes and the Purchase Agreement. The full text of each of the form of the Note and the Purchase Agreement were filed as exhibits to our Current Report on Form 8-K filed with the SEC on August 4, 2025.

Vote Required

Pursuant to the Company’s Bylaws, this action required the approval of Stockholders holding a majority of the issued and outstanding shares of our capital stock entitled to vote. Accordingly, this action was approved by the affirmative vote through the Written Consent by the Majority Stockholders.

Background

Pursuant to the Purchase Agreement, on August 4, 2025, the Company entered into the Exchange Agreements with the Holders of certain of the Company’s common stock purchase warrants. Pursuant to the Exchange Agreements, the Holders agreed to exchange (a) their Original Warrants exercisable for an aggregate of approximately 31 million shares of Common Stock, for (b) the same number of shares Exchange Shares of Common Stock, subject to receipt of the Stockholder Approval.

The issuance of the securities described above would result in the issuance of over 20% of the Company’s outstanding shares of Common Stock on a pre-transaction basis. As such, for so long as the Holders beneficially own a significant amount of shares of our Common Stock, they could significantly influence future Company decisions. Our stockholders will incur dilution of their percentage ownership upon the issuance of the Exchange Shares.
